

BYB - SECOND BASE

NOW ITS GAME TIME - 2016

PRACTICE vs POOL PLAY: Practice games are just that - practice. Wins or losses during practice games don't count toward your team's standing. Pool Play game results make up team standings. Standings are used for seeding in tournament play, which is how the division champs are determined. You will get a tournament schedule toward the end of your Pool Play.

SCIENTIFIC FACT: *Umpires are HUMANS!* Let's remember to treat our league umpires with respect and patience. Please expect them to be checking equipment before a game - if they do, they're doing their job. They will check for legal bats, proper helmets, etc. Many of them are learning, let's be encouraging to them as a crowd, coach or player.

Thanks for keeping our stands and dugouts clean!

KEEP SUPPORTING YOUR TEAM! OUR STANDS ARE FULL OF PARENTS AND FAMILIES WATCHING THEIR FAVORITE PLAYERS!
KEEP IT UP, BEAUMONT!

Did you know? 90% of surveyed kids said they would rather play often on a losing team rather than warm the bench on a winning team.

Scorekeeping Stars

Your scorekeeper needs:

- pitching changes
- substitutions
- LAST names on lineup
- official score taken in official book from snack bar

If you're looking for the board member on duty, please visit the snack bar. They can locate that person for you.

MAKE IT FUN

Why do kids quit sports???

Girls

- #1 reason: I was not having fun
- #2 reason: I wanted to focus more on my grades
- #3 reason: I had a health problem or injury

Boys

- #1 reason: I was not having fun
- #2 reason: I had a health problem or injury
- #3 reason: I wanted to focus more on my grades

PARKING:

If you have a game on field 1 and choose to park behind field 1 right, please make sure you are parking OUTSIDE the yellow gates, and you are parking parallel to keep the MOST room for emergency vehicles to pass through. Many cars are parking with their front ends facing the field directly, then lining up like that. This is creating a tighter squeeze in that area near the yellow gate.

ALSO, please remember, parking within the yellow gates behind the office is reserved for umpires and board members. The more vehicles we have going in and out of that area, the more kids we have at risk. **This is not a general parking area.** Many kids play back there, and there are now tetherball courts with kids present. Please continue to park outside the yellow gates.
